HCC Foundation Annual Report

TOGETHER WE LIFT OUR COMMUNITY

This report of the results of our two-year **HCC Rising: Together We Lift our Community** campaign includes all gifts received during the campaign period, from January 1, 2018 to December 31, 2019. We are grateful for all of our donors' commitments to HCC and the Foundation, no matter the designation.

HCC Rising: Together We Lift Our Community was the Foundation's funding campaign in honor of the college's five decades of innovation and inspiration. We were so proud to announce that the Foundation raised **\$9,221,868.94**, more than three times the original goal. This was the first comprehensive college-wide campaign in the Foundation's history.

Through a two year long campaign of community engagement and donor recruitment, with the involvement of HCC's more than 2,500 faculty and staff members, the HCC Foundation both raised money to support students and raised the profile of HCC, helping the community better recognize this gem in our midst.

Funds raised will support students like Jack, who recently said:

“As a waiter, I grew accustomed to a hard-earned stream of income that paid for my rent and tuition, but the coronavirus and economic lockdown put my future at risk. With just one more semester left, I began to accept the truly depressing notion that I would not be able to graduate. All of those late night shifts worked to pay my tuition, those all-nighter study sessions, the early morning trips to the library... all for nothing. So close to my goal, yet nothing to show for it but economic and emotional stress.

But thanks to the generosity of the HCC Foundation, I was given a scholarship that allowed me to finish my degree as planned. There are no words that can express my gratitude. Donors like you kept my academic goals and career dreams alive.”

THE 1968 LEGACY SOCIETY AT HILLSBOROUGH COMMUNITY COLLEGE

The Foundation has recently created The 1968 Legacy Society to commemorate the year of the College's founding. The Society is comprised of those who share our vision of serving the ever-evolving educational needs of our students and who make a commitment to that vision by making a planned gift.

Should you choose to include HCC in your estate plans, we would be honored to know of your intentions so we can acknowledge you as a member of The Society. Members will be recognized in our publications and on our website, and will receive a lapel pin to identify them, as well as being invited to an annual special thank-you event.

Bequests from a will or trust are the most common way to leave a planned gift to the HCC Foundation. Some people set aside a certain dollar amount. Others leave a percentage of the estate or assets left over after providing for their family. Others have made the Foundation the beneficiary of 401K/IRA plans or life insurance policies, or have established a Charitable Gift Annuity or a Charitable Remainder Trust. All qualify a person, a couple, or a family for membership in The 1968 Legacy Society.

To learn more, contact the HCC Foundation at 813.253.7165 or foundation@hccfl.edu, or visit us online at HCCFoundation.com/PlannedGiving.
